

CHALET ARSENE ET LEA

Family ski chalet - 3 stars, open fire, sauna, pistes 1km

Everyone feels welcome at this much-loved family home in the mountains

About Chalet Arsene et Lea ...

This family-friendly chalet near the village of Manigod is just 1km from the pistes and the ski bus stops just across the road, so you'll waste no time getting on the slopes.

It was built by the owners' grandparents, after whom it is named, and the present owners have renovated it using the original materials. Their work now takes them all over the world, and the decor of the chalet reflects that, with a wealth of souvenirs from their travels.

There are two young children in the family, so it's no surprise the chalet was designed with them in mind - there's a flat garden bordered by shrubs on the road side with swings and a petanque piste to the rear of the chalet, and a play area complete with toys indoors. However, there are some steep open stairs, which may not be suitable for toddlers.

The chalet is right on the road, which is regularly cleared of snow, so access isn't a problem, and the views are incredible - look across the Manigod valley to Etale, Val Sulens, Mont Charvin and Tournette. There is a garage where you can store skis, bikes etc and outdoor gear, as well as parking for four cars. Plus there's an extra special surprise in the mazot in the garden...
